Planning and Learning Today for Living and Working Tomorrow

From the Principal

Wow what a busy week our students have had. Last week we had our SRC fundraiser Pyjama Day, A special visit from the Riverina Police District: Constable Kym Crawford, Constable Murdoch and Sara, Education Week Celebration's and yesterday the NAIDOC Children's Expo at Brungle Public School.

A big thank you to the families and friends who attended last Friday to celebrate 175 years of public education in NSW! The students really enjoyed showing off their workbooks, updating visitors on current topics and demonstrating how they use an Osmo in class.

We have Book Week coming up next week and I know Miss E and Mrs P have been working hard to put together a great day for all students.

Regards, Elise

Class 5:

Last term, Class 5 were reading *The Very Cranky Bear* as their focus text. Students looked at describing the very cranky bear and creating artworks from the main characters in the book.

This term, Class 5 have been reading *Giraffes Can't Dance* as their focus text. They have been looking at features of giraffes and the setting of the story. Students have looked at where the animals in the book are located.

They have all enjoyed exploring both focus texts over the last two terms.

Class: 4

Class 4 have started to investigate fractions. We have been discovering whole, equal and uneven halves and just begun looking at quarters. Class 4 have enjoyed the hands-on aspects of studying fractions and really enjoyed making fairy bread halves and quarters where they applied their knowledge of halves and quarters to create a delicious fraction. Keep up the great work Class 4!
